Chopin: Nocturne in B-flat minor, Op. 9 No. 1

Pickup and measures 1-2. Same pitches, rhythm, markings, system break, and nominal staff height.

HENLE / HN 185, printed page 7

A / LilyPond baseline

Compare notehead weight, slur shape, beam slopes, bar widths, and space between the hands.

Default engraving; shared excerpt geometry and notation-preserving import corrections.

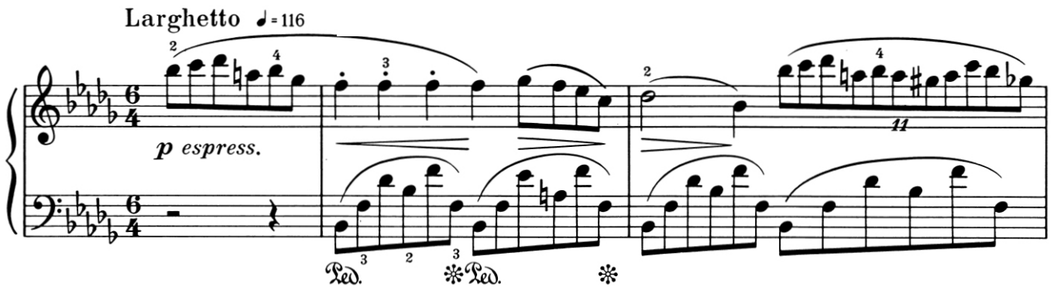

Reference: official Henle preview, copyright 1980 G. Henle Verlag, Munich. Non-musical headings omitted from the crop.

Henle is a raster preview; re-engraving is vector. Reference scale is estimated from its staff lines. No claim of exact font matching.

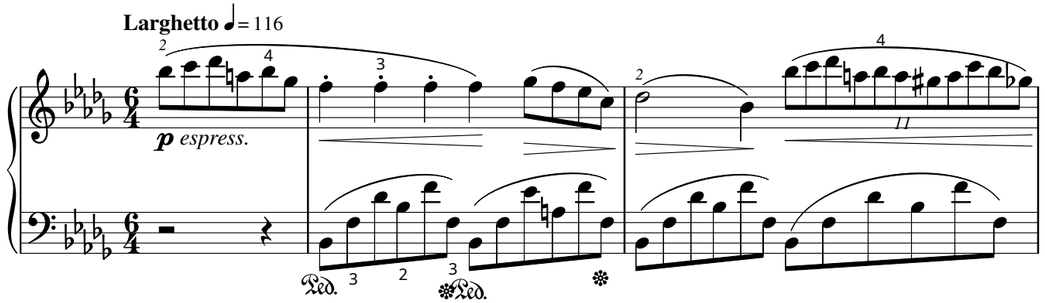

Chopin: Nocturne in B-flat minor, Op. 9 No. 1

Pickup and measures 1-2. Same pitches, rhythm, markings, system break, and nominal staff height.

HENLE / HN 185, printed page 7

B / LilyPond classical

Compare notehead weight, slur shape, beam slopes, bar widths, and space between the hands.

Tuned staff/beam weight, slur geometry, text, fingerings, and rhythmic spacing.

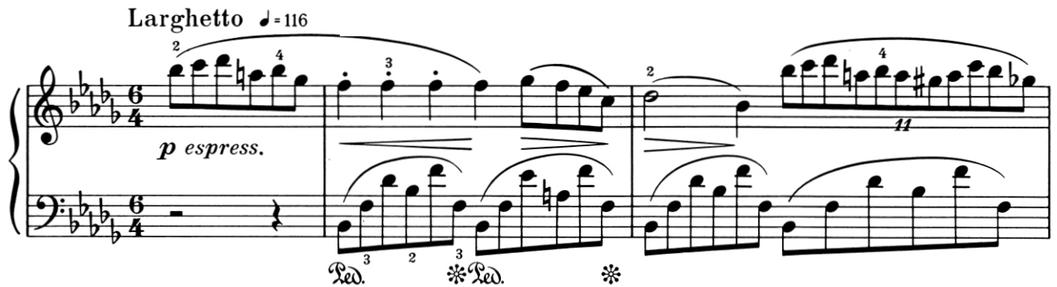

Reference: official Henle preview, copyright 1980 G. Henle Verlag, Munich. Non-musical headings omitted from the crop.

Henle is a raster preview; re-engraving is vector. Reference scale is estimated from its staff lines. No claim of exact font matching.

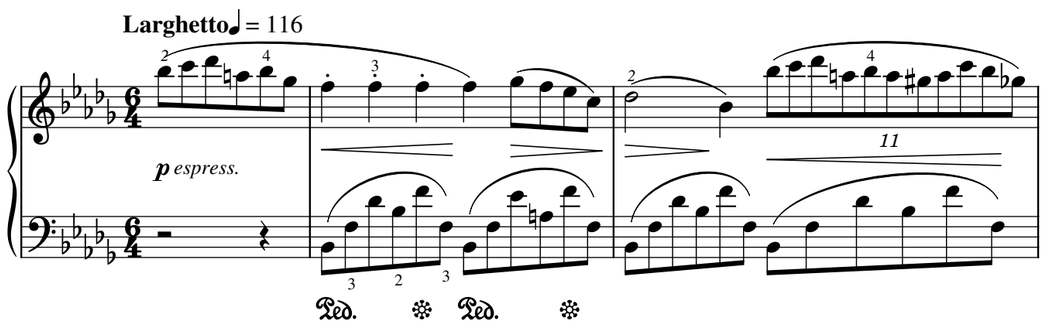

Chopin: Nocturne in B-flat minor, Op. 9 No. 1

Pickup and measures 1-2. Same pitches, rhythm, markings, system break, and nominal staff height.

HENLE / HN 185, printed page 7

C / MuseScore Studio - Leland

Compare notehead weight, slur shape, beam slopes, bar widths, and space between the hands.

Saved house style; one-system lock and corrected tuplet endpoint timing.

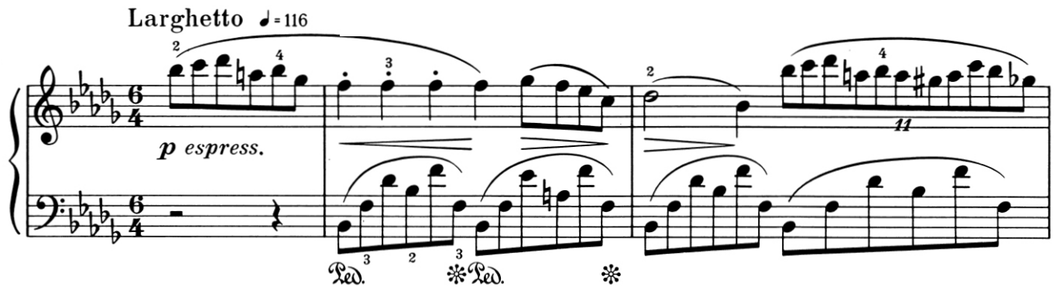

Reference: official Henle preview, copyright 1980 G. Henle Verlag, Munich. Non-musical headings omitted from the crop.

Henle is a raster preview; re-engraving is vector. Reference scale is estimated from its staff lines. No claim of exact font matching.

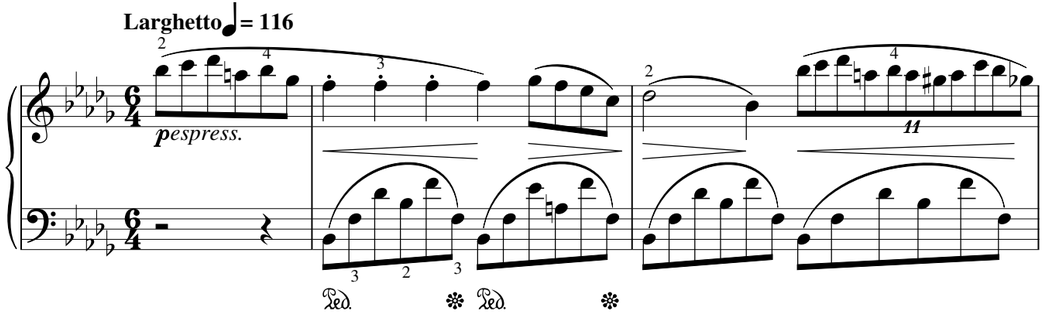

Chopin: Nocturne in B-flat minor, Op. 9 No. 1

Pickup and measures 1-2. Same pitches, rhythm, markings, system break, and nominal staff height.

HENLE / HN 185, printed page 7

D / Verovio - Leipzig

Compare notehead weight, slur shape, beam slopes, bar widths, and space between the hands.

Encoded system break; working metronome glyph; aligned p espress. expression.

Reference: official Henle preview, copyright 1980 G. Henle Verlag, Munich. Non-musical headings omitted from the crop.

Henle is a raster preview; re-engraving is vector. Reference scale is estimated from its staff lines. No claim of exact font matching.
